**Von Julie Johnson : Cross the Line (A Boston Love Story Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross the Line (A Boston Love Story Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great sequel, but can be read as a stand-aloneVon readerThis story was the perfect mix of everything I could want in an

awesome romance, it was a romance with a huge dose of suspense, intrigue, and a lot of action. The dialogues were hilarious and sassy and the feisty heroine made me laughing out over and over again. If you read "Not You It's Me" you meet again some of those characters, but it mainly focusses on Phoebe and Nate. Looking for an awesome, light-hearted romance that'll have you swooning and laughing read this book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. wegen solchen Bchern liebe ich es zu lesen! Von missmorelli Julie Johnson schreibt groartig! Zwar war die Hauptdarstellerin nicht so tollpatschig wie im ersten Band, aber dennoch sss und liebenswert. Nate, ja der ist wunderbar. Allein wegen ihm muss man dieses Buch gelesen haben. Das Buch ist spassig, romantisch, sexy und wunderbar! Gaaaanz klar dicke Leseempfehlung! 0 von 0 Kunden fanden die folgende Rezension hilfreich. loved the book!!! Von SonnenscheinI loved the book even better than "Not you it's me"!!! Both books are the bomb. I couldn't stop reading. Still dreaming about Nate ;)

**Kurzbeschreibung** Phoebe West has been head-over-heels in love with her brother's best friend for as long as she can remember. Not that he's bothered to notice. Despite several mortifying attempts at seduction and a decades worth of unrequited pining, nothing Phoebe does seems to make any impact on the man she's obsessed over since her bra-stuffing days. She knows it's time to let him go, though just the thought is nearly enough to shatter her. Nathaniel Nate Knox has only ever seen Phoebe as one thing: forbidden. There's a darkness in Nate, the kind you can't avoid after years working in special forces and private security. He's no good for anyone especially not someone as sweet as his best friend's little sister. He knows he can't have her. Not ever. Even if she makes him feel things he barely recognizes... Some lines aren't meant to be crossed. When an unforeseeable series of events sends Phoebe stumbling headfirst into danger, there's only one man who can protect her. Though, in his quest to save her life, he may just break her heart... **CROSS THE LINE** is a full-length contemporary romance about a woman who can't seem to walk away and the man who'll go to any length to keep her safe. Due to sparks flying, suspenseful moments, steamy scenes, and one sassy heroine, it is recommended to readers ages 17 and up. **Kurzbeschreibung** Phoebe West has been head-over-heels in love with her brother's best friend for as long as she can remember.
