**Von Caitlin Daire : Crush - A Stepbrother Romance (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crush - A Stepbrother Romance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mia BradVon MinelliHm, war okay aber jetzt auch nichts besonderes. Die expliziten Szenen waren auch nicht mehr als Durchschnitt.Wenn man Stepbrother lesen mchte ist das in Ordnung, es sticht aber nicht aus der Masse

heraus.Allerdings hat mir die Reaktion der Eltern gefallen und besonders Mias Vater mochte ich.

Kurzbeschreibung Good girls don't kiss and tell... And they sure as hell don't have crushes on their stepbrothers. My name is Mia Williams, and I guess I'm not a good girl any more. Ever since my mother passed away when I was a kid, I've been trying to find my Prince Charming like she wanted me to. Unfortunately, there seem to be more frogs around than princes, and I haven't found a real match yet. Some summer fun at a holiday resort surely couldn't hurt, right? It's just one kiss... until he turns out to be my new stepbrother. I'm Bradley Eriksson. I used to be bad to the bone, but I'm a new man now... save for the tattoos. I knew she wasn't just a hook-up as soon as my lips touched hers. Mia is sexy as hell and as forbidden as they come. I may be on the right track again, studying pre-med and working my ass off, but Mia Williams is one temptation I'm not about to resist. \*\*\*Crush is a standalone, full-length new adult stepbrother romance. Caution: VERY steamy sexy - you've been warned, can you handle the heat?\*\*\*
