...adorable cute sexy funny Romance!Von Bianca @BJsBBWe already met Michael in ISN'T SHE LOVELY - where he cheated on his best friend with said best friend's girl Olivia. The girl he had been in love with all his life. But now that both Ethan and Olivia have found their HEAs with Stephanie and Paul, only Michael is left.And not only did he

lose his two best friends - on the same day he overheard his parents fighting....Resulting in him finding out that his dad is not his dad. His mom had an affair with a Texan on business in New York.Texas.That's where Michael is now ... jobbing as a tennis pro in a country club.He's not sure if and how he's supposed to try to talk to his 'new' dad...at least he has some time to think and plan, because his father is traveling through europe with his wife at the moment....He's trying to get close to his step-brother Devon's girlfriend Kristin - to be able to do a little spying into his new family.But he didn't count on Kristin's sister Chloe.Chloe.So totally the opposite of her superficial and beautiful sister.A smart and chubby and funny girl who has been in love with her sister's boyfriend Devon forever.Two people in love with people they can't ever have ...They become friends - sort of.Michael is trying to make Chloe feel better about herself - he's getting her to do some sports and eat healthier....and while they both still try to get over their lost loves, in Michael's case - and in Chloe's case, maybe finally catch the eyes of Devon..... they might just fall in love with somebody else...But of course it's not as simple as that WHAT WILL HAPPEN TO MICHAEL CHLOE?WILL THE TWO OF THEM GET THEIR HEA??OR WILL THEY GET TOGETHER WITH THE LOVES OF THEIR LIVES OLIVIA DEVON?AND WILL MICHAEL HAVE THE COURAGE TO TELL HIS REAL FATHER THAT HE HAS ANOTHER SON??WILL THERE BE A HORRIBLE CLIFFHANGER?I'm not telling you that of course Ok - no Cliffhanger - and the HEA-chances are very good!\_\_\_\_\_I really enjoyed this book.I read it in one night!!!I just couldn't stop - I had to know if and how Michael Chloe would get their HEA!!!It was such a sweet and funny romance...Chloe is sooo amazing - so funny and cute and shy ...And how both Michael and Chloe try to help the other to overcome whatever it is they have to overcome.Just adorable to watch.I would soooo watch this book on tv if Hollywood would make it into a movie.Sexy Tennis-Pros Cowboys and a cute curvy girl in a great texan setting....PERFECT ROMANCE!And even Michael's past might not be as bad as it was before - without spoiling too much - I might be able to tell you that we'll see four known faces again CRUSHED was an adorably cute and sexy and funny Romance!!!GO GET IT NOW!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoyed itVon readerAnother enjoyable book by Lauren Layne, second of a series, but can be read as a standalone.The characters are likable, H and h made a great couple, the sister was the "villain", the story was foreseeable, but nonetheless nice to read.0 von 0 Kunden fanden die folgende Rezension hilfreich. Like!Von DanielaAnother nice book from Lauren Layne. The ending seems a bit rushed, but otherwise, it was entertaining and the characters were likable.
