weakVon Andreeathe title was good. but not every recommendation that comes from is good. if you are desperate,read this. If you want something at least slightly better, look away. It got some idea from 50 shades, and 50 shades is good,

but turned it into fast food on fast forward.the guy gets obsessed with her, but attention, spoiler! basically gets controlling, too controlling, up to closing her in his house and she's all melting over him, no bells ringing this might be wrong or sth. just blinded by love and no thinking. this was sooo bad,though it sounded promising.0 von 0 Kunden fanden die folgende Rezension hilfreich. MittelmigVon airflowIch bin ein riesen Fan der Autorin. Diese Geschichte hat mich jedoch irgendwie enttuscht. Sie ist einfach wirklich viel zu kurz, um auch nur im Entferntesten realistisch zu wirken. Schade - die Geschichte an sich hatte Potential.

KurzbeschreibungThe first time Flynn Long sees her, she's lying on a bed in lingerie. The picture is soft, just like her curves, and instantly he's obsessed. Cali Carr is at the end of her full-figure modeling career when she's hired for a new campaign. But when the owner of the company steps out of the shadows and starts calling the shots, a job is the last thing it feels like. Love at first sight isn't supposed to be real. One touch isn't supposed to ignite so much. A single picture isn't supposed to drive a man insane. But luckily for us it's happening in Curvy! Warning: Over the top isn't strong enough for what this short story is. It's velvety sweetness coated in insta-love cheese, and it's waiting for you to take a bite.KurzbeschreibungThe first time Flynn Long sees her, she's lying on a bed in lingerie.
