power. It's about Nell Channing, who had recently come to Three Sisters Island after escaping her abusive husband. The book moves at a very fast pace and is almost impossible to put down, a real page turner. The romance touched my heart. The magic made me curious. And the suspense towards the end of the book made me shiver. If you like romance and fantasy you won't regret buying this book. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Magical Von J. Kunze Der erste Teil der "Three Sisters Island" Triologie ist ein wirklich magisches Buch. Die Charaktere sind wunderschön beschrieben und Nora Roberts beschreibt die Atmosphäre auf der kleinen, magischen Insel so schön, dass man am liebsten seinen nächsten Urlaub da verbringen würde. Ich hab das Buch an zwei Abenden verschlungen und kann es kaum erwarten die beiden anderen Teile der Triologie zu lesen. Für Nora Roberts Fans und alle anderen nur zu empfehlen!! 5 von 6 Kunden fanden die folgende Rezension hilfreich. A romance with suspense and fiction. Von Mahr Sabine Nell Channing arrives on the island the three Sisters after she fled from her husband who abused her. But even in this quiet, peaceful place Nell never feels entirely safe. She takes a job as a cook at the local bookstore cafe and begins to explore her feelings on the island sheriff Zack Todd. She learns on the island that, it suffers under a terrible curse- one that can only be broken by the descendants of the Three Sisters, the witches who settled the island back in 1692. With the help of the two other gifted woman she must find the power to save her home, her love and herself. I can't wait to read the other two books in this trilogy. The next will be Heaven and Earth.

Kurzbeschreibung #1 New York Times bestselling author Nora Roberts hailed by Publishers Weekly as a storyteller of immeasurable diversity and talent presents the first book in her Three Sisters Island trilogy. When Nell Channing arrives on charming Three Sisters Island, she believes that she's finally found refuge from her abusive husband and from the terrifying life she fled so desperately eight months ago. Careful to conceal her true identity, she takes a job as a cook at the local bookstore cafe and begins to explore her feelings for the island sheriff, Zack Todd. But there is a part of herself she can never reveal to him. One careless word, one misplaced confidence, and the new life she's so carefully created could shatter completely. Just as Nell starts to wonder if she'll ever be able to break free of her fear, she realizes that the island suffers under a terrible curse one that can only be broken by the descendants of the Three Sisters, the witches who settled the island back in 1692. And now, with the help of two other strong, gifted women and the nightmares of the past haunting her every step she must find the power to save her home, her love and herself. Don't miss the other books in the Three Sisters Island Trilogy Heaven and Earth Face the Fire From the Trade Paperback edition. de Perennial New York Times bestselling author Nora Roberts's new Three Sisters Island trilogy is pure magic. An intriguing combination of The Witches of Eastwick and Sleeping With the Enemy, Dance Upon the Air introduces readers to the idyllic town of Three Sisters Island. Reputedly conjured by a trio of sisters seeking to escape the Salem witch-hunts, the island remains a place of quiet refuge for one and all, including pretty Nell Channing who arrives in town afraid of her own shadow, with few possessions and no past. But the warm, sunny days and cool, windswept nights, as well as the loving concern of new friends--especially hunky sheriff Zack Todd--soon lure skittish Nell into a much-welcome fresh life. Nell's new boss, the captivatingly lovely bookstore owner Mia Devlin (look for Mia's story, hopefully, in the not-too-distant future), wonders from what or whom Nell is running. Mia treats Nell as she would a sister, which isn't too far off the mark, helping Nell discover and explore her inner resources while Zack's romantic attentions bring a rosy glow to Nell's cheeks and to her future. But something wicked this way comes... Will Nell be ready to face and conquer her past? Even with the love and support of Mia, Zack, and Zack's fellow police officer, his peppery, down-to-earth sister Ripley, Nell has the fight of her life--the fight for her life--on her hands. Roberts continues to delight fans and create new believers with her talent and imagination. --Alison Trinkle, .com.co.uk Perennial New York Times bestselling author Nora Roberts's new Three Sisters Island trilogy is pure magic.
