weit aufeinander aufbauen, ist jeder Band in sich abgeschlossen und behandelt die Geschichte eines der Mitglieder der Familie. Im Falle dieses Bandes, ist es die Geschichte der Modedesignerin Faith. Faith ist eine aufstrebende junge Designerin, die gerade anfängt, sich einen Namen in der Modewelt zu machen. Einige bse Erfahrungen haben sie etwas misstrauisch und in manchen Dingen auch unsicher werden lassen. Als sie feststellen muss, dass ihr frherer Mentor einige ihrer Designs gestohlen hat, wendet sie sich an Ken Lambert, einen Privatdetektiv, mit dem sie vor einiger Zeit mal etwas mehr verband. Ken wittert seine Chance, sie wieder fr sich zu gewinnen und steht ihr zur Seite, auch als die Dinge zu entgleiten drohen und es richtig gefhrlich wird. Wobei sich irgendwann die Frage stellt, wer furchteinflssender ist - die Kriminellen, die drohen, ihr Geschft zu vernichten oder die liebe Familie in Form ihrer Tante Viv.....Auch in "Dangerous Love" berzeugen die Charaktere wieder durch ihre Authentizitt und ihre natrliche und sympathische Art. Mnner, die beschtzen, ohne zu erdrcken, Frauen, die ihren eigenen Weg gehen, aber dennoch auch akzeptieren knnen -oder es zumindest lernen- Hilfe anzunehmen, Menschen, die Fehler machen und daraus lernen, die sich entschuldigen und zu dem stehen, was sie getan haben. Diese sympathischen Charaktere finden sich dann noch in einer spannenden und gut erzhlten Geschichte wieder, die den Leser in Atem hlt und mit den Potagonisten mitfiebern lsst. Insgesamt kann ich nur sagen - wer die Fitzgeralds bis jetzt noch nicht kennt, der sollte die Chance nicht verpassen, sie kennenzulernen! Bisher habe ich jedes Buch dieser Reihe genossen und freue mich schon sehr auf die letzten beiden Bnde! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing! Sexy and dangerous! Von Heavenly Good Books I have to admit that so far this is my favourite book in the series :D Its a fourth book in the series and I love it! I love Ken and just adore Faith! She is the kind of character that is just perfect for this kind of books! My thoughts: This book is about Faith Fitzgerald and Kenneth Ken Lambert. Faith is a fashion designer, who is currently preparing for her big dbut on Fashion Week and her collection is almost finished, she is doing the last preparations, when then her past is coming back. Her ex is coming back to her life. But not as a lost lover, but a thief. When her future as a designer is under a huge question mark, she is turning for help to only one man she knows will do anything to catch the bad guy. But there is small problem. A year ago, after her cousin and His best friends wedding, they had a one-stand and she simply run away and stopped contacting him for a year. After contacting him, her feelings and passion comes back with double power. And she simply cannot avoid being pulled deeper. I fell in love with her at previous parts when she was showing her bossy nature to Ken already. She is strong, determined and has a goal in her life and nothing, and certainly no one can stop her from achieving her. Even some of her family members, who only doubt her and causes her to doubt. Ken, hot, sexy and extremely caring ex FBI agent, who is now a Private Investigator and trying to avoid his father manipulations to join family company. He is used to deciding about himself and have full control of the situations. Until he meets Faith. From the first day, something pulled them towards each other and after their one-stand, he couldnt forget her and didnt even try to hard to do so. He decided to give her time and when the occasion was given to him by Faith herself, he grabbed it and decided not to let go. Ever. What I like about him the most? That he was not convincing himself all the time that its only lust between them. He knew he loves her and fought for her. The book has mystery, danger and steamy scenes. Thats what a girl needs. And oh, Faith cousins? Can I have family like hers? Eddie, Baron, Chase, Lex together with Jade and Ash, are the perfect family every person would like to have. Problem at 2 am? No problem, they will be there. No questions asked. This is so far the best part and I will go back to it many times.

Kurzbeschreibung A woman on the verge of falling apart Born to a Las Vegas showgirl, fashion designer Faith Fitzgeralds childhood was not easy, until her father found her and whisked her off to L.A. to join his wealthy family. So doing anything that dishonors his name is not an option. When a close family friend steals her designs and passes them off as his, Faith must find proof of his guilt and salvage her Fall Fashion Week collection. Only one man can help her and keep her slowly unraveling life a secret. The only problem is they have a history of bad blood. He who can give her what she needs When former-FBI-agent-turned-security-consultant Kenneth Ken Lambert receives a call from Faith asking for his services, he sees a chance to payback the gorgeous designer for the way she used him then walked out on him. But then he learns that she is being victimized by an unscrupulous man, Ken pushes aside his personal agenda and runs to her rescue. Can their temporary arrangement become permanent or will history repeat itself? **TEASER:** I want to hire you to steal some designs from my competitors offices, she said. Ken choked on his drink and started to cough. What? I want to hire you Jeez, dont repeat it. I got it the first time. He looked toward the nearest tables to make sure his voice hadnt drawn attention. A few people were looking their way. He got up, undid the knot holding the flaps of the cabana entrance, so the white material fell into place, giving them total privacy. He pinned Faith with a hard gaze as he sat. Why would you want me to do something like that? he asked, not masking his shock. Because he stole my designs, and I want proof so I can plan my next move. The relief that raced through Ken left him light-headed. He gulped his drink, wishing it was something stronger. He glowered at the maddening woman in front of him. Why did she always throw him a curve ball when he least expected it? Why didnt you just say so in the first place? She shrugged. I needed to get your attention...
