sexy adorable Stars! Von Bianca @BJsBBLucy has always been in Love with Max - her brothers' best friend. But he never seemed to see more in her than a little sister. And when he got married a few years ago, she couldn't stand to watch it anymore and moved to the west-coast. But then his wife died four years ago and now he's back to casual one-nighters. Lucy only dates guys that can never hurt her - guys she won't ever fall in love with. But now, suddenly, at her brother's engagement party in NY, Max is starting to flirt with her - flirting and kissing. And she brought a date to the party, too!!! Max has always been in love with Lucy, but his fear of being disappointed or left by people he loves has always stopped him from being with her. That, and her being the little sister of his best friends. But now even they seem to see how he looks at her and she at him. With their blessing, he finally decides to make his move! But of course Lucy thinks it's just fun for him, nothing serious ... Time to prove her wrong... WHAT WILL HAPPEN TO LUCY MAX??? WILL THEY GET THEIR HEA??? WILL THERE BE A CLIFFHANGER?? NOPE..... I'm not telling you

I LOVED THE BOOK!!! This was a really cute and sexy romance. It was so adorable to see those two trying to forget all about the past, and their fears and finally be together ... they could've been happily together for years already, if they just would've dared to do something about it back then. But now they dare! And it's verrrry sexy! We go back to the island of Eden, to celebrate Lucy brother's wedding - and lots of sexy island things happen - but back home in NY, Lucy is trying to stay away from Max. Easier said than done, since she'll be working for him! DARE TO SEDUCE was a really cute sexy Romance! Go and get your own dose of Max Savage!!!!

Kurzbeschreibung It's now or never... Billionaire Max Savage knows it's time to convince Lucy Dare that she belongs with him--even if she's on the arm of another man. His only option is to seduce her and show her how they're meant to be together, how their bodies react to one another no matter the consequences. But will Lucy dare to succumb to her desires?
