Dieser Dare Cop ist hei!Von Rainbowdragon86Decklan Dare hat alles was er will, und jetzt will er Amanda Collins. Was perfekt ist denn Amanda will ihn auch!Sie lassen sich auf eine Affre ohne Verpflichtungen ein. Aber dann wird daraus mehr und Decklan der es gewohnt ist die Kontrolle ber alles zu haben, muss feststellen das Amanda nicht kontrolliert

werden will. Eine weitere sehr heiße Geschichte in der Dare Reihe! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Slow beginning, rushed ending Von reader The story line was promising, but did not live up to my expectation. The relationship between Decklan and Amanda developed slowly, as usual there were trust issues, then an accident and suddenly HEA. The book finished at 87% of my kindle, followed by 7 pages booklist of Carly Phillips's books, excerpt of the next installment, and another 7 pages booklist. The sudden ending felt rushed although the storyline did not come to an end and some questions were not answered. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dare Von MeII did read all of the Dare books and loved this one just as much as the others, also can't wait for the next one. I can recommend this book if you like light BDSM and a Hero who is not afraid to show emotions and let somebody in. Declan Dare is a Dome who you just have to love, hard to trust somebody the same as Amanda but they show you want you can get if you let somebody in your Heart and behind the walls. I did enjoy this read immensely

Kurzbeschreibung "Carly Phillips is synonymous with red-hot romance and passionate love. Lauren Blakely, NY Times Bestselling Author" Steamy, sexy and emotionally charged. Carly's most erotic book to date. J. Kenner, NY Times Bestselling Author Is running away easier than giving in? Decklan Dare has everything he wants and he wants Amanda Collins. Which is perfect since Amanda wants him especially his no-strings-attached approach to casual sex. Emotions are overrated, but the sex isn't. They both know it and both desire it. But as their connection deepens, Decklan, a man who's used to being in charge, finds that Amanda can't be controlled. But she has her reasons. She just might be hiding something something that won't let her dare to get too close. Kurzbeschreibung "Carly Phillips is synonymous with red-hot romance and passionate love.
