Von Bianca @BJSBB 4.9 Stars 25-year old Isabelle just left her cheating and controlling boyfriend Lance. Without money and clothes, she has nowhere to go. That's when Gabriel Dare finds her and asks her to come home with him. (Home to his amazing NYC penthouse.) He's basically a stranger. Not really though. Both Gabe and her ex run in the same social circles and she met Gabriel lots of times. And most of those times were spent flirting and looking and dreaming and wishing. And now he's asking her to move in with him??? o. OShe's not sure what to do - of course she wants to spend time with Gabe, but she doesn't want to go from one controlling guy to the next - and Gabe seems very dominant. But in Gabe this doesn't bother her at all. He's so kind and sweet and sexy and he seems to just want what's best for her. Gabe doesn't really know what to do either. He only knows that he wants her in his life. After the death of his wife - he never wanted anything serious. But now, he's dreaming of something more. The book takes us from New York to the paradise Island Resort of EDEN - where Izzy is hired to work as the interior designer in the Dare siblings' new night club..... WHAT WILL HAPPEN TO ISABELLE GABRIEL??? WILL THEY GET THEIR HEA??? WILL THERE BE A CLIFFHANGER o. OOR WILL EVERYBODY DIE AT THE END??? NOPE..... I'm not telling you I don't want to spoil anything!!! (OK - I can tell you that there's no cliffhanger ;)

) _____ I LOVED THE BOOK!!! This was a quick, cute and sexy romance. It takes them a while to get together - even though they live together right at the beginning... I really wanted to slap Izzy a few times... Make up your mind girl!!!! Stay or Go!! (I would've stayed, had I been in her shoes!!!) But of course we understand where she's coming from. She didn't have a great life growing up and then practically going from her parents to Lance, she doesn't know if she should trust the amazing life Gabe promises. I kind of had a bit of a problem with the blurb. It says that Izzy gets invited to the Eden Island Resort - but that doesn't happen until the middle of the book. I wish that would've happened a bit earlier and we could've spent some more time there. But we (Izzy and Gabe) had to go through the events and experiences that happened in the weeks before the Island 'vacation'. But once we're there - Gabe has one goal - the one goal he's had since he saw Izzy for the first time: Make her his! We have lots of sexy scenes - a few sad and moving and suspensy and funny scenes... I just had the feeling the book wanted to be longer - another 150 pages would've made it perfect! There was a lot more that could've been told - it all felt a bit rushed to me. But I still really enjoyed reading it! It was the perfect little sexy, romantic summer-beach-read! If you like sexy Romances with really hot Millionaire - GO BUY THE BOOK!!!!
