UnterhaltsamVon Anna D.Oliver Goswick, Viscount Rathburn hat ein Problem: Seine eigensinnige Gromutter hlt sein Erbe unter Verschluss bis er bewiesen hat, dass er vernnftig ist und sich endlich verlobt. Aber es darf nicht irgendjemand sein, in den Augen der Gromutter kommt nur Miss Danvers in Frage. Die Schwester seines besten Freundes. Oliver mchte nicht heiraten und nur endlich an sein Erbe kommen, also berredet er Miss Danvers einer fingierten Verlobung zuzustimmen. Doch natrlich kommt alles ganz anders als geplant.Eine se Geschichte ohne berspitztes Drama und absurde Wendungen. Besonders ansant fand ich die Gromutter.In meinen Augen auf jeden Fall zu empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweet but not memorableVon Miss HIIt's a very sweet story, no villain, the hero is not even a rake. Maybe he was before but not in this book. Most definitely not a jerk. did right by the heroin. I admit to being more than a little bored at times. I like a romance story with a little heartaches, a little struggles, some "I want you so much" and "I must go", with little darkness.I find it unlikely that the heroin would agree to his "proposal". What would she gain by agreeing to it? She has everything to lose and nothing to gain. I also do not buy this "I have loved you for years but I didn't know" bit. Flrst of all, how can you not know???

Secondly, the book did nothing to describe this "I loved you but never could tell you" anguish.All said and done, this book has nothing or very little of what I look for in a novel. But it's not a bad story at all. Both characters are very likeable, albeit unbelievable at times. I am giving it a 3 stars, which is more than I can say about a lot of romance novels out there. I did have a ok time reading, though admittedly bored in and out. It is not that the story is bad. I just like my stories a little more complicated and more emotionally intense. This book is light-hearted, with little suspense, and has 2 very sweet lead characters. Even the infamour and daunting dowager is secretly wicked.I do not think I will go on reading the series though. I suspect that they will be as bland as this book. Please do note that by "bland" I do not mean bad. I mean a straight forward romance novel. Expect little and you are rewarded with a story that stays with you for 3 hours, and leaves you forever because you will not remember it again.
