Bei den zwei Monden, ich bete es geht noch weiterVon TanjaIch habe das Buch gestern gekauft und bis heute morgen um 2 zu Ende gelesen. Ich konnte bei diesem Ende nicht schlafen und musste gucken, ob es eine weiteren Band gibt. Bisher bin

ich noch nicht schlauer, aber ich bete es geht weiter. Man hat leider das Gefühl, als wären ganze Kapitel gestrichen worden. Wir erfahren fast gar nichts über Astrid, Cricket Vater, die Cavars werden auf vielleicht 2 Seiten erwähnt und wo zur Hölle ist Trey die ganze Zeit? Das Ende ist schon bittersweet, aber es gibt soooo viele offene Fragen. Ich war versucht weniger Sterne zu geben, aber wie bereits erwähnt, habe ich das Buch in einem Rutsch durchgelesen, ... Ganz ganz schwierig, bin immer noch etwas shell-shocked! Von 0 Kunden fanden die folgende Rezension hilfreich. Ein Abschluss wie ein Feuerwerk! Von Indra Diese Fantasy Buch-Reihe hat mich mit einem lachenden und einem weinenden Auge zurückgelassen. Von der ersten Seite des ersten Buches an mich die Geschichte von Cricket in ihren Bann gezogen. Sie hat alles, was ein großartiges Fantasy Werk nach meinem Geschmack ausmacht : eine starke und dabei zu Opfern bereite Heldin, eine fesselnde (utopische) Fantasy-Welt mit ihren eigenen Regeln, mit interessanten Pflanzen und Tieren (auf solch einem Spix würde ich auch gerne einmal reiten..), großartig mitreißende Liebesgeschichten, die so, wie sie hier ihren Lauf nehmen, mal ausnahmsweise nicht dem blichen Schema X entsprechen. Und last but not least ist es eine unglaublich spannende Story , die einem immer wieder atemlos und mit Begeisterung weiter lesen lässt , und einem bis zur letzten Seite fesselt. Selten noch habe ich in einem Buch so viele überraschende und unerwartete Wendungen wie in diesem angetroffen. Der einzige Wermutstropfen (das weinende Auge) ist, dass man sich nicht von Cricket , von Trey und seinen Freunden , oder gar von dem grausamen, aber enigmatischen Kyon verabschieden möchte. Meiner Ansicht nach bietet diese Geschichte mit ihren Hauptpersonen , neben den zahlreichen anderen interessanten Figuren, wie bspw. Griffin oder Astrid, noch so viele Möglichkeiten für eine Fortsetzung, dass es wirklich tragisch wäre, wenn dieses Buch der letzte Band bleiben sollte... Bitte, liebe Amy, schreibe weiterhin so unglaubliche Geschichten, und fahre irgendwann, deinen treuen Lesern zuliebe, auch mit der Story von Cricket fort. Da steckt einfach noch so viel drin!!!! 2 von 2 Kunden fanden die folgende Rezension hilfreich. Different than the first and second but still very good Von Kris I read the third book like the ones before, just in a few hours and in one setting. Again how Bartol writes is very fluent and the descriptions are so real that you feel that you can really see everything before your inner eye. Now, Spoiler alert!!! The third part goes in a very different direction than the first two. I was surprised to see so many bad reviews from .com mainly it seems from people who wanted the happy ending and were annoyed with the love triangle. Many said that Cricket gave up on Trey and didn't have any feelings for him, because why would she open up for Kyon so fast. I really don't see it that way. Cricket visited him in her visions. She saw the truth and let him go. Trey didn't exactly fight for her from what I read and Cricket realizes that at the end that she would have chosen him but he chose what he thought was the greater good. Kyon on the other hand chose Cricket (by willingly going to his father for an exchange even though he must have known that that wouldn't work out) and in that way they are more similar. However why I gave the third part 5 stars was that I felt that Cricket grew a lot and finally chose herself. And not one guy or be entangled in the love triangle mess. She chose her own destiny, her own path, because she has a kick-ass attitude and doesn't need a man to survive (she managed to survive on Earth alone, why now suddenly needing someone to lean on). She chose the best option for her and will choose in the future what and who she wants. Still, I do hope there will be a fourth book.

Kurzbeschreibung Kyon Ensin finally has what hes always wanted: possession of Cricket Hollowell, the priestess who foresees the future. Together, their combined power will be unrivaled. Cricket, however, doesn't crave the crown of Ethar she has an unbreakable desire to live life on her own terms, a life that she desperately wants to share with her love, Trey Allairis. As conspiracies rage in the war for Ethar, Crickets so-called allies want to use her as a spy. Even those held closest cannot be trusted including Astrid, her sister, and Giffen, a member of a mysterious order with a hidden agenda. But Crickets resolve will not allow her to be used as anyone's pawn, even as the Brotherhood sharpens its plans to cut out her heart. As the destiny prophesied by her mother approaches, Cricket will backtrack through her fiery future to reshape it. For she knows one thing above all else: the only person she can truly count on is herself.
