**Von Maya Banks : Darkest Before Dawn (KGI series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Darkest Before Dawn (KGI series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 4 stars only because this used to be an amazing series!Von Bianca @BjsBBHonor is a relief worker in some arabian war-

zone. When her clinic is being bombed, she's the only survivor, and the bad guys are hunting her. She escapes, only to be caught/rescued by Hancock. We all met him in the KGI books before - he's trying to find this huge Russian gangster, the one who killed his foster mom. And to lure him closer, he has to have Honor - she's his last chance to get revenge. But the longer he's close to her - the harder it will be to let her go... What will happen to Honor Hancock? Will there be a HEA? Will everybody survive???

I loved every KGI book so far - I did hate a little on those with too much paranormal stuff - those mind-reading ones... but I always read them and loved the characters.. So I don't know what was wrong this time... it was just probably that I wasn't in the mood for it... because I couldn't read this book. I started and I liked the whole idea, but the beginning alone... that bomb that goes off in that clinic and Honor surviving and getting out of there. It could've been told in 2 pages, but it took maybe 5% of the book to tell it. That's been the problem for me with Maya's books for a while now.. She just writes too much. Every book of hers that I've read in the last years could've been told with half the words, or even less. She repeats things CONSTANTLY and she goes into too much detail. Some detail is good, but I don't care about most of those details. I don't want to stop people from reading and enjoying this book. I loved that Hancock finally got his own book, and I was really looking forward to reading it, but there were just way too many unnecessary words (pages) for me. I will read everything that Maya writes in the future (not the paranormal stuff) and I hope that she'll lose some of her words on the way. The story itself was pretty good. It would've been totally my kind of romantic suspense. But all those repeats and stuff I didn't care about, made it very hard for me to read it. I finished it, but I finished it in 3 hours. It was so bad that I only tried to read when people were talking to each other, everything else was just totally redundant. Sorry :/ Still 4 stars, because I love KGI and I would've loved Hancock too. As I said before, don't let my own weirdness stop you from enjoying the book!

Kurzbeschreibung THE ALL-NEW KGI NOVEL from the incredibly awesome" (Jaci Burton) #1 New York Times bestselling author of When Day Breaks. The Kelly Group International (KGI): A super-elite, top secret, family-run business. Qualifications: High intelligence, rock-hard body, military background. Mission: Hostage/kidnap victim recovery. Intelligence gathering. Handling jobs the U.S. government can't... The enigmatic Hancock has been both opponent and ally to the KGI teams for as long as they've known him. Always working a deep game, Hancock's true allegiance has never been apparent, but one thing is for certain he never lets anything get in the way of duty. But now, his absolute belief in the primacy of his ultimate goal is challenged by a captive he's been ordered to guard, no matter how much she suffers in her prison. She's the only woman who's ever managed to penetrate the rigid walls surrounding his icy heart, but will he allow his perplexing feelings for the beautiful victim to destroy a mission he's spent years working to complete or will he be forced to sacrifice her for the greater good. From the Paperback edition. Pressestimmen Praise for the novels of Maya Banks If you haven't read this series yet, you totally should. Incredibly awesome! I love Maya Banks and I love her books. Jaci Burton, New York Times bestselling author. A must-read for Christine Feehan and Lora Leigh fans. Fresh Fiction Everything I love in a good book: suspense, romance, a twist, hot sex. Bring on the next one! Ret Hot Books Maya Banks really dragged me through the gamut of emotions. From Is it hot in here? to Oh my GOD! I'm ready for the next ride now! USA Today [A] one-two punch of entertainment that will leave readers eager for the next book. Publishers Weekly For those who like it naughty, dirty, and do-me-on-the-desk HAWT!
