Nice but always the sameVon CustomerI guess when you have already written ten books of a series, it is hard to make the eleventh inventive. Still I had hoped for a little bit more distinctive feature.The story is as always: Vampire finds his mate, they face the ultimate evil together and win. There are some (few) new ideas but itZs still the same stuff and narrative structure as before.What I personally dislike is that the boys fall in eternal love with their mate after simply too little struggle. So after - lets say - 20 pages the excitement is gone but since the book is still far too short Alexandra Ivy lets her characters chase some bad guy/creature while introducing the upcoming new couple. By the way these two don't even need the "bite" to mate anymore...Meanwhile I got the impression that all the vampires are love seeking men who have all suffered in the past but are fighting for the good, are strong yet tender and protective and good in bed and gorgeous and and and. Is there still any difference between the individual characters except for the names? Styx, Roke, Santiago they have all the same pattern of behavior - and absolutely no flaws. How boring!It doesnZt help that Alexandra Ivy tries to remind the reader that vampires are such dangerous and bad creatures because they act more like love stoned softies.Nevertheless the book is still readable, sometimes exiting and as always Levet keeps his humor. So IZd say between 3 and 4 stars.0 von 0 Kunden fanden die folgende Rezension hilfreich. Guardians of EternityVon CoRaHabe alle Bcher dieser Serie. Es geht genauso spannend weiter wie die ganze Serie. Macht schon fast schtig.Immer wieder ein toller Zeitvertreib.

KurzbeschreibungThe Search For A TraitorAs the demon world celebrates the defeat of the Dark Lord, the vampire Santiago's mood remains bleak. He still yearns for sensual, raven-haired Nefri, who has inexplicably disappeared. But brooding for Nefri is a luxury Santiago does not have. His traitorous sire, Gaius, is unleashing a violent scourge upon the mortal world, and Santiago must stop him before it's too late. . .Leads To A Dangerous SeductionTo her dismay, the all powerful Oracles have sent Nefri on her own mission to find Gaius, and failure is not an option. Nefri's search leads her to the vampire's abandoned lair--and straight into Santiago's path. It's clear Santiago intends to seduce her, but then an ancient, banished evil reappears, threatening to thrust the world into a madness it cannot survive. . .Praise for Alexandra Ivy"Ivy always packs her books with buckets of action, emotion and sexy sizzle. Another winner!" --Romantic Times on Devoured by Darkness"The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal." --Publishers Weekly on My Lord VampireKurzbeschreibungThe Search For A TraitorAs the demon world celebrates the defeat of the Dark Lord, the vampire Santiago's mood remains bleak.
