Von Susan Illene : Darkness Divides: Book 3 (Sensor Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Darkness Divides: Book 3 (Sensor Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Krieg in der paranormalen GemeindeVon MerleErneute Hhepunkte mit viel Action und Entwicklungen im dritten Buch der Serie.Der Nephilim Lucas, Lebensgefhrte von Melena, sitzt seit einem Jahr seine Strafe im Fegefeuer der Erzengel ab.

Melena erlebt seine Folterqualen psychisch mit und sinnt nach, wie sie ihn befreien könnte. Eine Idee, wie das zu bewerkstelligen wäre, kommt von den Feen. Deren geheime Stadt Feidlimid wird angegriffen und die Paranormalen brauchen die Hilfe von Melena. Doch für sie wird es jetzt erst recht gefährlich. Doch Lucas gelingt es mit Hilfe von Erzengel Remiel, ihre Sterblichkeit zu vermindern. Es passiert sehr viel, Melena gelangt von einer gefährlichen Situation in die nächste. Erstaunlich, dass sie sich so einfach überzeugen lässt, unsterblich zu werden, hasste sie doch bis vor kurzem alle Unsterblichen. Dass der Werwolfalpha von New Orleans sie für den Tod seines Sohnes verantwortlich macht und nicht Derreck, der damals als Zweitmchtigster zusah, ist unlogisch. Die Befragungen, die Melena zum Wohl der Feen durchführt, werden dauernd behindert - mir wird nicht klar weshalb. Und die Rolle von Writter Kerbasi gefällt mir auch nicht. Der Rest ist spannend zu lesen, wenn auch etwas viel auf die Superhelden Melena und Lucas fokussiert wird, ihre Unfehlbarkeit flacht die Geschichte ab. Insgesamt empfehlenswert.

Kurzbeschreibung Book three of The Sensor Series. The blood and violence never ends it only stops long enough for Melena to relax her guard, to think she might actually survive. For the past year, she's worked hard to pick up the pieces of her life. The supernaturals in Fairbanks are tolerating her, the angels are shielding her from her enemies, and she's getting stronger as her body changes into something else. If not for the man she loves being locked away in Purgatory, she might even believe she could be happy. But for a sensor, peace is always an illusion. A magical explosion is about to rock the earth between Alaska and parts of Canada, bringing with it a new wave of fear. People she cares about will be hurt and she's going to need answers. Are her enemies trying to flush her out of hiding or are they up to something even more sinister? It will take all of her newfound strength and the help of every ally she's got to put a stop to their plans. Word count: 108,000 (approximate) Series reading order: Darkness Haunts Darkness Taunts Chained by Darkness (world novella) Darkness Divides
