Von Ein KundeIch bin nur durch Zufall auf die Autorin Alexandra Ivy gestoen und war auch beim ersten Band skeptisch was mich dort erwarten wrde. Doch ich wurde positiv berrascht. Ich habe die Bcher der Guradian-Reihe nur so verschlungen und musste letztendlich auf die Englischen Fassungen zurckgreifen, da im deutschen erst zwei erschienen sind. Und ich muss zugeben, dass sie im englischen noch besser zu lesen sind als im deutschen. Sie sind einfach witziger! Auch der neueste Band mit dem Eigenbrdlervampir Jagr ist hoch interresant und wurde von mir innerhalb von zwei Tagen verschlungen. Ein super tolles Buch und der einzige Grund warum ich nur vier Sterne vergeben habe, war, dass das Ende unpassend war. Wer das Buch liet, wei was ich dann meine. Ich will aber noch nicht so viel verraten.0 von 0 Kunden fanden die folgende Rezension hilfreich. Unfortunately not as good as expected Von H. RappI expected that this book will be about Jagr. Because he was mentioned in the last book. Jagr is a very attractive and interesting vampire, similar to Tegan or Zsadist from Lara Adrian and J.R. Ward it's a character who is a very dangerous outsider. He was tortured very long and in consequence of this his heart went cold. But there is Regan who made similar experiences and both understand each other. At the beginning the story was very good but in the middle sometimes it was a little bit boring because of the discussions between Regan and Jagr. But okay, Regan is a very stubborn and unique character. The story was very seriously because of the bad past of the main character. The background story was okay but not as good as in the last books. The erotic scene were hot as always but I don't know. It was a nice book but maybe my expectation was too high. There was some weakness in the book I can't describe. It was not harmonious as the other ones. It's a pity but I hope the next one will be better.

KurzbeschreibungThe Guardians of Eternity are vampire warriors without equal, bound by their loyalties and sworn to protect their charges from every danger. . . except those posed by their own hungry desires. . . A scarred recluse, Jagr makes no secret of his disdain for others' company. But now, as a member of Chicago's powerful vampire clan, he has certain obligations to fulfill. The latest: track down a missing were pureblood and return her to her sister. The problem: Regan Garrett has no intention of complying. And though Jagr agreed not to harm an inch of this stubborn female's distractingly tempting body, he'll gladly kiss her into submission, awakening an urge he hasn't felt in years. Hell, in centuries. . . Regan vowed never to be at the mercy of another man. That goes double for arrogant, steel-muscled vampires with eyes of ice.
