Daughter of Smoke and Bone Trilogy Book 1: 1/3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Daughter of Smoke and Bone: The Sunday Times Bestseller. Daughter of Smoke and Bone Trilogy Book 1: 1/3:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The world and the story were great, but the love interest was too predictable.Von JessiStory The story was good, but I think kind of predictable. I guessed who Karou was from the start and in the end it became true.Characters All in one the characters were good, they had substance and they weren't flat, but still I didn't get attached to them.My favorite character is Zuzanna and Brimstone.World In a world torn by war they isn't any hope for peace. Chimaeras and seraphims are in war since the beginning and there is loss on both sides.Love I mean it should be romantic, but kind of predictable and therefore kind of lame. But I still liked it a bit. Especially the dramatic when they met and in the end. I'm always there for a dramatic (bad) ending.Writing style Because English is not my first language it was kind of hard, but I still liked the writing, even when it wasn't my favorite.1 von 1 Kunden fanden die folgende Rezension hilfreich. A decent book, but not what I was looking forVon Carina ErkWhile the writing is beautiful (although the real-world locations seem to be a little romanticized), this turned out quite different than I expected. I was looking forward to a quirky Urban Fantasy YA story, but stumbled upon a dramatic epic-fantasy, doomed-lovers kind of story. Which is perfectly fine if that is what you like, it just was't quite 'it' for me.0 von 0 Kunden fanden die folgende Rezension hilfreich. Best YA novel I've read in a long timeVon DagnyLarkingI loved this book so much that, after finishing the whole trilogy, I went back and read it a second time. The language is absolutely beautiful, and Laini Taylor is a fantastic story teller. If you're looking for a love story you can lose yourself in, I'd highly recommend this one - no matter how old you are.

KurzbeschreibungThe world crossing, boundary breaking fantasy phenomenon for fans of Philip Pullman and Neil Gaiman. Welcome to ELSEWHERE. 'It's totally EXCELLENT, EPIC, PERFECT! No words. Certainly one of the best fantasy books I've ever read!' Goodreads er, five stars. 'WOW. I wish I had written this book.' Patrick Rothfuss In general, Karou has managed to keep her two lives in balance. On the one hand, she's a seventeen-year-old art student in Prague; on the other, errand-girl to a monstrous creature who is the closest thing she has to family. Raised half in our world, half in 'Elsewhere', she has never understood Brimstone's dark work - buying teeth from hunters and murderers - nor how she came into his keeping. She is a secret even to herself.Now the doors to Elsewhere are closing, and Karou must choose between the safety of her human life and the dangers of a war-ravaged world that may hold the answers she has always sought.'Remarkable and beautifully written . . . The opening volume of a truly original trilogy.' GUARDIANPressestimmenWOW. I wish I had written this book. (Patrick Rothfuss)Remarkable and beautifully written . . . The opening volume of a truly original trilogy. (Guardian)The world-building descriptions and language stop your heart and then, like a defibrillator, start it up again. (New York Times)Mesmerising. (Marie Claire)WerbetextDaughter of Smoke and Bone is a book unbounded by genre but located at a magical crossroads where The Passage meets Philip Pullman and Twilight meets Pan's Labyrinth.
