Wunderschne Geschichte mit viel Spannung und unerwarteten Ereignissen.Von ComtessaDas Buch hat mich total verzaubert und ich konnte es bis zum Ende kaum aus der Hand legen. Arielle ist ein wundervoll ausgearbeiteter Charakter und gleich zu Beginn des Buches gibt es jede Menge unerwarteter berraschungen und spannende Szenen. Als sie einem Serienkiller begegnet kommt alles anders als gedacht. Ich will aber nicht zuviel verraten...Daughter of

the Nasstuir ist eine Englische Edition, und durch die klare Ausdrucksweise der Autorin sehr gut lesbar. Ich hoffe, dass weitere Bücher aus der Nasstuir Reihe folgen werden.

Kurzbeschreibung Arielle Worthington was pleased at the way her life was going. True, she had no boyfriend at the moment, but her job as a court reporter was about to get very interesting. At nineteen, she felt proud to be trusted enough to be assigned to today's very serious case. She was looking forward to it with a mixture of excitement and dread. What would it be like to be in the same room with a serial killer? When the accused was brought in, he didn't look like the monster the media was making him out to be. And when he passed by her desk, he flashed her a look of recognition. She was sure she had never seen him before. Could it be that he knew her? And if so, was it possible he held the key to secrets of her past, secrets she longed to know, but that her adoptive parents had been unable to tell her?
