Outstanding! One of Linda Howard's best books!!!Von CassandraThis was one of the rare stories that lingered in my

mind long after I had finished the book. I'm a Linda Howard fan, reading everything she writes but her last two or three books didn't live up to the usual high standard that I came to expect from her. Having said that I still won't ever stop reading her because most of the time she delivers. And every once in a while she gets a book out there that totally blows me away. It happened with "Cry No More" which actually had me crying and now with "Death Angel" which did the same. I absolutely LOVED it!!! It has a great heroine, Drea (or Andy as she calls herself later), who is strong, clever but very much human. She made mistakes in the past and regretted them and then tried to turn her life around. The hero, Simon (only known as the assassin at the beginning) is very dark, dangerous and mysterious and stays that way throughout the book. We get to know more about him through his actions rather than lots of dialogue. He also doesn't change into a mushy do-gooder upon meeting the heroine but keeps a hard edge to his character. The heroine - and the reader - connect with him but never to the degree that you would know him inside out. Usually I don't like that but Linda Howard somehow makes it work. By keeping a certain level of mystery about him she makes him intriguing and interesting. The whole book emanates a feeling of danger and melancholy. I love it when the atmosphere in a book is so strong that it almost becomes a third character. Especially during the time when Drea is working in the diner and Simon is secretly watching over her that dark energy seemed to jump up from the pages. Brilliantly done! As always Linda Howard's writing pulled me into the story and wouldn't let go. I barely managed to put the book down during the one day it took me to devour it! The only time I deliberately had to stop to take a deep breath and fight back tears was when the heroine died. If you're curious how there could still be a happy ending I recommend to read "Death Angel". If you like darkly romantic suspense you won't regret it!

Die Hauptpersonen blieben irgendwie kalt und unnahbar. Zudem waren die Fakten etwas ungenau recherchiert, denn Finanztransaktionen unterliegen auch in den USA einem Geldwäschegesetz, so dass Geldverschieben nicht ganz so einfach ist. Insgesamt war ich enttäuscht, denn Linda Howard steht eigentlich für kurzweiliges Lesevergnügen, das mir hier vollkommen abging.

Linda Howard ist eine Autorin die ihren Qualitätsstandards treu bleibt!!! Drea Rousseau ist die Geliebte von Rafael Salinas, einem Verbrecher, der seine Gegner schnell und sauber beseitigen lässt. Für solche Arbeiten hat er einen Killer engagiert, der diesmal nicht das versprochene Geld will, sondern ein paar Stunden mit Drea im Bett. Drea glaubt zunächst noch an einen Scherz, doch Salinas verlässt die Wohnung und lässt sie mit dem Killer allein. Doch die nächsten Stunden werden für Drea ganz anders als erwartet. Doch Drea ist klger als Salinas glaubt und sie sinnt nach Rache. Sie räumt sein Konto leer und verschwindet. Salinas schickt ihr jedoch einen Mann hinterher. Einen Mann, der sich einen Weg in ihr Herz gebahnt hat, in der Hitze von ein paar Stunden...

**Kurzbeschreibung** A striking beauty with a taste for diamonds and dangerous men, Drea Rousseau was once content to be arm candy for Rafael Salinas, a notorious crime lord. Then, when he loans her to a cold-blooded assassin as payment, Drea makes a fateful decision and a desperate move to escape, stealing a mountain of cash from the malicious killer. Though Drea runs, Salinas knows she can't hide - and dispatches the same assassin in hot pursuit. Left for dead, Drea miraculously returns to the realm of the living a changed woman. Both humbled and thrilled with this unexpected second chance, she embraces her new life. But in order to feel safe and sound, and stop nervously looking over her shoulder, she will need to take down the man who marked her for death, even if it means joining forces with the most dangerous - but most enticing - man she's ever known...
