WonderfulVon Ein KundeI was not disappointed with this book. I was DEFINITELY one of my favorites. At first

Ranulf seem so dangerous and cold, but with Reina help he turns out to be a man any woman can love. I found it very heart warming that he took the time and effort to find a way to give his wife pleasure with his fears getting in the way. Both Reina and Ranulf were WONDERFUL characters. Reina was soOO sprited and so fun. Ranulf was so caring, understanding, fair. I love the relationship they have going on. If it wasn't for Reina wit and spunk we wouldn't have seen Ranulf playful, sexual side. I LOVED THIS BOOK AND RECOMMEND ANYBODY TO READ IT.

Johnanna Lindsey biggest fan. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Humorous Von Lara This is my ultimate favorite in my Johanna Lindsey collection. I recommend it to all. Ranulf and Reina have a chemistry unlike any other. Reina and her spunky, sweet and practical characteristics makes a new intriguing match for Ranulf and his rough hesitant personality. She brings out the best (and worst!) in him. An adventure you'll never forget, it'll be your favorite too! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Margaret, Australia Von Margaret This is one of my favorite books. I wish Johanna would write more stories from this era. I liked the idea of the big strong male having the ugliest cat on earth, that he simply adored. I never laughed so hard, as when the cat farted in her face. It is a must read

Kurzbeschreibung Reina seethes with rage over her fate: taken captive by the knight Ranulf -- a golden giant of a man -- who has pledged to deliver her to the nuptial bed of the despised Lord Rothwell. She will never accept such bondage -- and Reina offers herself to her kidnapper instead, offering to make Ranulf a great lord...if he agrees to wed her. But the brave knight desires much more than a marriage of convenience from this proud, headstrong lady who treats him with scorn yet makes his blood run hotter than liquid fire. She must come to him of her own free will -- or Ranulf will take her. For the passion that consumes them both cannot long be denied -- even though gravest peril surely awaits them on the heart's trail to a destined and turbulent love.
